

# Procore + MS Business Central Integration by Calance

Streamlining Data Sharing Across Systems

**Say goodbye to double data entry.**

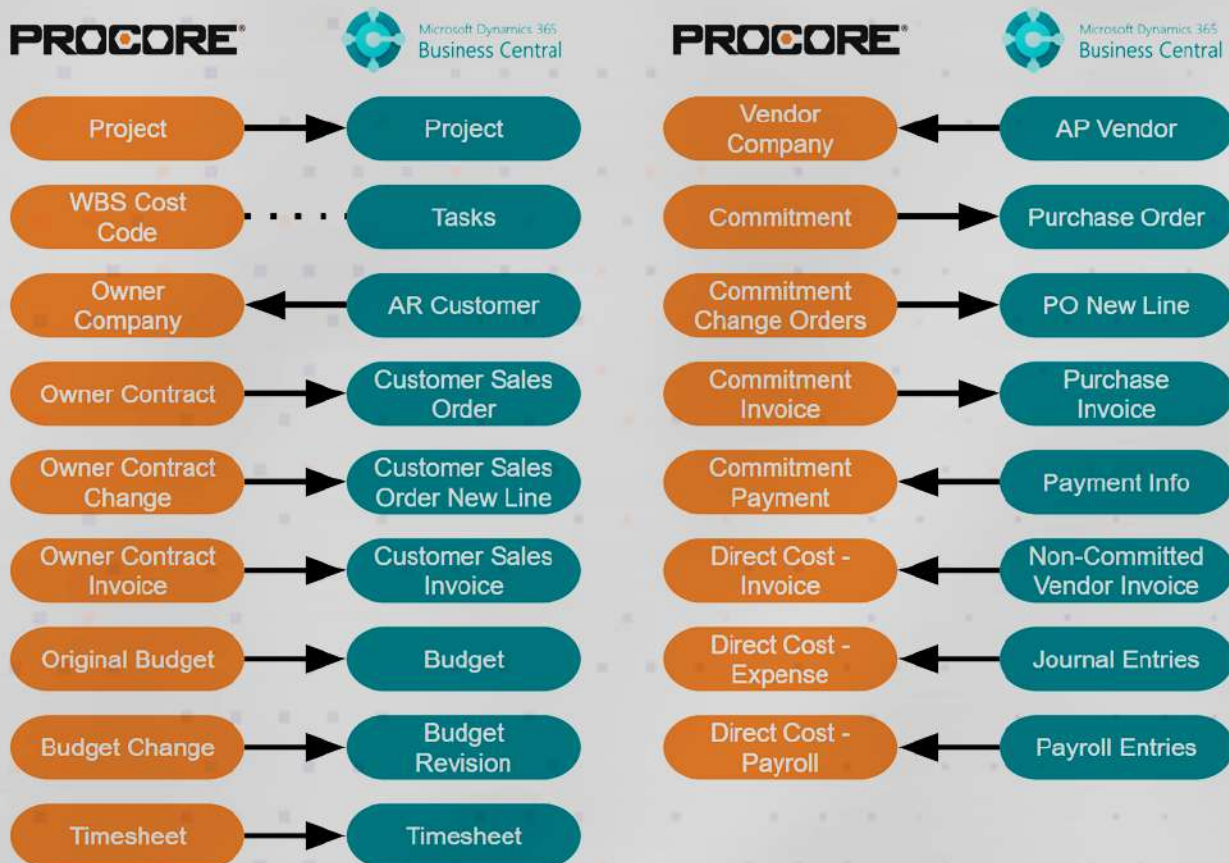

Reliably sync your jobs and job costs between Procore and MSBC

**Stick with what you're comfortable with.**  
Spend more effective time in the systems you're comfortable with.

**Trust your data again.**  
Reduce errors between systems for more dependable data.

\*Reconciliations compare the data in both systems and notify you of when there are discrepancies. These are used when integration data is not an option.
